

# Fundraising

We love to hear from individuals, groups, or companies who want to raise funds for us. As a small charity, we rely heavily on fundraising to be able to continue to offer our life-changing therapies and services, so we're grateful for anyone who wants to support us in this way.

## Ways to Fundraise

### Take part in a sponsored challenge

Over the years, our supporters have taken part in various challenge events including sponsored walks, runs, climbs, and even sky dives! We've included links to a couple of local challenge events to whet your appetite but we love to hear your ideas. The wackier the better!

### **Set up a Birthday or a wedding gift fundraiser**

Want to celebrate your special occasion in a meaningful way?

Instead of traditional gifts, you can create a fundraising page where friends and family can donate to a cause close to your heart. Interested in setting one up? [Get in touch](#), we'd love to be part of your special day!

### **Corporate Partnerships**

We can offer bespoke corporate partnerships to businesses interested in fundraising. We tailor our partnerships to match your company's CSR objectives, staff engagement goals, and available resources. In exchange, you will get a real insight into how The Neuro Therapy Place is impacting the lives of those living with neurological conditions in our local community and beyond. ## Legacy fundraising

Legacy fundraising is the act of supporting a charity by leaving a gift in your will, helping create a lasting impact for the causes you care about. You can do this by including a charitable gift in your will, such as a specific amount, a percentage of your estate, or an item of value, and letting your solicitor or the charity know your wishes. ## Edinburgh Community Lottery

You could also consider raising funds for us while you shop or sign up to the Edinburgh Lottery to have the chance of winning a cash prize. Compass will receive a small donation every time you enter Support Compass. Therapy. [Play for the chance to win prizes and support us!](#)
